## Cary Teen Council

The **Cary Teen Council** is a volunteer organization made up of fun and fascinating teens ranging from 6th-12th grades who come from a variety of schools in Cary and surrounding areas! The Teen Council has been in service for over 20 years! Teens participating in this organization have the opportunity to get involved in programs and events that focus on social/recreational, community awareness/service, educational, leadership/teamwork and fund raising/ recruitment. Many Cary Teen Council members receive a chance to serve in advisory capacities for various Town boards and commissions.

The group has been honored with a multitude of awards over the past few years. Most recently the group was recognized as the **2010 National Recreation and Park Association Voluntary Service Award** recipient, as well as the **Partner Organization of the Year for the Town of Cary**. Other awards include **Most Diverse Council** for the past 5 years through the NC State Youth Council, as well as 2009 **Most Outstanding Council**.

Teens are also active in participating in state youth conferences throughout the year, as well as serving as officers. Two out of the five state officer positions are held by members of the Cary Teen Council. Members of the council are active throughout the year volunteering their time in many diverse opportunities recording over 10,000 hours this past year. Membership applications are accepted in June of each year. For more information call Cindi at **(919) 460-4965** or visit **[www.townofcary.org](http://www.townofcary.org)**.

## CARY TENNIS ACADEMY

Looking for a more advanced tennis experience? Join the Cary Tennis Academy, at the Cary Tennis Park.

For more information on dates, times and fees call **(919) 462-2061**.

Registration for Academy programs is only available in person at the Tennis Park. The Tennis Park staff must approve all juniors placed in these programs.

**Academy Select** is designed for the established tournament junior who has aspirations of playing college tennis. Juniors must have a state and sectional ranking and be working toward a national ranking. Participants are expected to implement advanced strategies in a variety of live ball drills.

### Junior Competition (age 11-18)

Junior Competition is structured for the present high school player or those aspiring to make the team. Drills will be structured around playing situations and point development. Stroke mechanics will be stressed along with the improvement of the serve.

### High School Team (age 14-18)

High School Team is designed for the high school varsity player who wants to keep his game tuned-up for the upcoming season. Juniors are expected to be able to hit with spin and change direction of the ball. The player rarely double faults and is becoming an all-around player. Drills will be designed around execution, and the ability to close out points.
