### PROGRAM ACCESSIBILITY/ADA

The Loudoun County Department of Parks, Recreation and Community Services (PRCS) is committed to complying with the Americans with Disabilities Act (ADA). If you require a reasonable accommodation for any type of disability in order to participate in PRCS activities, please contact the program/location manager (or PRCS administrative office at 703-777-0343/TTY-711). Three business days advance notice is requested. Some accommodations may require additional time.

### PROGRAM REFUNDS & CANCELLATIONS

Our goal is to ensure quality programs. If you are dissatisfied with the quality of a camp while the participant is enrolled, you may request a refund according to the following policy: Refund requests must include an explanation of why the participant is disappointed with the quality of the camp. The request must be dated and sent by **email, fax, or mail** directly to the facility manager or program manager offering the camp. The amount of any refund will be prorated based on the number of remaining class/program sessions. If you make the request 15 or more days before the camp start date, a full refund, MINUS a 15% administrative fee (maximum of \$15), will be offered. If you cancel a registration 14 or fewer days before the start date, a refund of 50% will be offered. See Summer Daze, Summer Fest and Adaptive Recreation Camp for additional refund details.

The Department reserves the right to cancel or change a camp or activity due to insufficient enrollment or other reasonable cause. A full refund (including any applicable registration fee) will be offered.

WCRB KARATE: THE STORY OF KARATE

(Ages 6 -19) This camp is designed to let youngsters experience the history and origins of karate in a fun and exciting way. Camp is set in medieval Japan, where campers play the part of peasant farmers forced to pay taxes by the emperor's soldiers. While strolling through the woods one day, tired of being taken advantage of, they begin to mimic the movements of wild animals and develop a powerful form of unarmed self-defense which they name karate. After cultivating their art, they use their new found skills to oust the emperor’s soldiers and take back their lives. During this camp, camp members will learn and practice karate basics, discover how ordinary farming tools were transitioned into weapons for personal safety. Learn archery, board breaking, Japanese sword fighting and more! All weapons are child-safe. A play demonstrating what camp members have learned will be performed at the end of the session. Campers must bring their own lunch, snack, and sunscreen. Call 703-777-0343 for more information.

ELITE WRESTLING CAMP

(Ages 12-18) The Tusky Tough Wrestling Camp is open to wrestlers with at least two years of experience, preferably high school level. Highly recommended for those wanting to reach the next level. We have designed the camp to promote the sport through games, competition and fun. Our focus will be on takedowns, setups, executions and finishes. Bottom wrestling will emphasize standups and reversals. Top wrestling will focus on breakdowns and turns, with a dedication to leg riding. Wrestlers will learn to score points from every position. There will be a takedown and ride ‘em out tournament on the final day. All campers receive a Tusky Tough Wrestling Camp T-shirt. Wrestler’s under 106 lbs are encouraged to have a drilling partner around the same weight register for camp. We cannot guarantee a partner close to that weight class. See highlights of the 2015 camp at <https://youtu.be/C2mcUQOZzQk>. Call 703-777-0343 for more information.

If you're looking for an unforgettable summer volunteer experience, consider the PRCS Counselor-in-Training (CIT) Internship program! This internship offers a wonderful opportunity to build leadership skills, gain needed community service hours, foster independent thinking and explore future career possibilities in recreation, elementary education and special education.

Students entering grades 10-12 in fall 2016 are eligible for the internship.
